

Thank you for your interest in ministry!

It is our hope, at the JOY FM, that more people will step out and follow their passions implementing the visions that God has given them. The JOY FM went on the air 21 years ago with a clear desire to encourage people through positive, uplifting music and strengthen the local church. It is obvious that you have a passion and vision and we hope that God will give you the sustenance to persevere and see it become reality.

It is wonderful to see the work of people in our community. The JOY FM reaches one-third of the state of Florida and while this span is a blessing for our ministry efforts, it is the very reason we cannot do even a portion of what we'd like to in helping ministries. As I am sure you can imagine, The JOY FM receives numerous letters each week from deserving individuals and organizations requesting our financial assistance. Our budget is determined by the needs of our ministry and our donor support. It is determined well in advance of each calendar year and is frequently re-evaluated based on our needs and budget actuaries. Please know that we would love to extend financial support to your ministry and while we are unable to do so, we will commit to praying for your endeavor.

Our blessings to you as you keep moving forward. We want to give you a Scripture that has provided a lot of encouragement to us as we embark on new adventures. Galatians 6:9 says, "Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up."

Blessings in Christ,
Mary Douglas
